EVENING (22HRS)

DAY (30HRS)

Satisfactory Academic Progress (SAP) is defined as the reasonable progression toward the successful completion of certification requirements for the Esthetician Programs offered at Skin Works School of Advanced Skin Care. The Financial Aid office will perform a review of academic progress at different clock hour intervals – 300 for the Basic/Master program, and 450 and 900 for the Comprehensive program. These intervals are determined to accommodate our Title IV agreements. The dates determined from the Education Department are based on what a regular student, at a minimum, should complete at certain intervals, and are subject to school holidays and unexpected time off.

Skinworks School of Advanced Skin Care will review the number of hours completed by the student (Quantitative Component) as well as the cumulative grade point average earned during this time (Qualitative Component). In accordance with federal regulation, the components of Satisfactory Academic Progress (SAP) are described below. Students who receive a notification of failed SAP at one interval will have until the next interval to complete the appropriate number of hours and/or cumulative Grade Percentage required by the school. Notification will come from our Financial Aid office.

ATTENDANCE SAP POLICY

- Students must maintain an 95% attendance to be in good standing.
- If a student falls below an 80% attendance, they will be put on Financial Aid probation for the following payment period. Student will need to meet the 80% SAP requirement. If this is not achieved the student will risk losing their financial aid eligibility.
- Excessive tardies and absences may result in a written warning and possible expulsion from the school.

IN ADDITION, 14 CONSECUTIVE ABSENCES FOR STUDENTS WITH NO COMMUNICATION TO THE SCHOOL WILL RESULT IN IMMEDIATE DISMISSAL FROM THE PROGRAM.

I. SATISFACTORY COMPLETION OF CLOCK HOURS FOR EACH PROGRAM (QUANTITATIVE COMPONENT)

Due to the nature of the program, necessity of graduating in an accelerated time-frame, as well as the pertinence of information gathered for skin care, treatments and preparation of passing State Board Exams, there is NO room for excessive absences. Hours are reviewed with students at the expected hour intervals. **Skin Works School of Advanced Skin Care requires that students have 80% attendance at these intervals;** FOR EXAMPLE: at the 450-hour mark, students must have *at least* 360 hours completed.

II. GRADE PERCENTAGE REQUIREMENT (QUALITATIVE COMPONENT)

Each student must meet a cumulative grade point average standard to remain eligible for assistance. For both the Basic and the Master’s Esthetician Program, the minimum percentage is 75% (equivalent to a C average). Cumulative GPR is reviewed at 300 (Basics or Masters ONLY) 450 and 900(Comprehensive) hour intervals. Your grade consists of the following:

- Quantitative (Attendance) = 100%
- Qualitative
 - Chapter Tests: 35%
 - Chapter Guide/Workbook 15%
 - Projects and Assignments: 10%
 - Participation/Tracker: 10%
 - Sanitation: 10%
 - Appointment (Practical) Grades: 10%
 - Business: 10%

ENROLLMENT STATUS	ACTUAL CLOCK HOURS	CUMULATIVE GPA	MINIMUM WEEKS FOR DISBURSEMENTS

SAP is reviewed at these time periods regardless of student receiving Title IV aid in that pay period. All SAP clock hours intervals are counted toward Maximum timeframe regardless of periods where student may not receive Title IV funds. All periods of enrollment (Fall, Winter, Spring, and Summer) count towards SAP including period when a student does not receive financial aid.

III. MAXIMUM TIME FRAME

Each student enrolled at Skin Works School of Advanced Skin Care is eligible to receive financial aid for a maximum of 600 hours for the Basic Program, 600 hours for the Master's Program and 1200 hours for the Comprehensive Program. Students are only allowed to complete each program with a maximum time frame of 150%.

IV. TRANSFER STUDENTS

If the student is transferring in hours, the transfer credits will be counted towards maximum timeframe. Therefore, if a student is in a 1200 program that is 36 weeks, but is transferring in 600 hours, their maximum timeframe at Skinworks would be 22.5 weeks. Failure to complete within the Maximum Timeframe will result in automatic withdrawal from the program.

V. INCOMPLETES, REPETITIONS, & NON CREDIT REMEDIAL COURSES

Course incompletes, repetitions, and noncredit remedial courses do not apply to Skinworks. Therefore, these items have no effect upon the school's SAP standards. The student could become SAP ineligible based on assignments or tests throughout their program and has the opportunity to make up assignments or test if failed per our rules defined in our student handbook.

VI. WITHDRAWALS

If a student withdraws before completing the course, we will base the students GPA off of the last day of attendance. If the student returns they will remain in the same status as before the withdraw. Skinworks does not offer withdraw passing or withdraw failing.

SECOND DEGREE

While Skinworks does not offer degree programs, the school does offer 3 programs that are similar in nature. If the student enrolls in our Basics program and would like to continue onto our Masters Program they must first complete the Basics Program and enroll into the Masters next start date. If a student is enrolled in the Comprehensive program and would like to only complete the basics program they must withdraw from the Comprehensive program and re-enroll into the basics

program (please see Title IV refund policy and Institutional Refund policy for obligations to this option). The student would be considered a new student in both scenarios and the maximum timeframe would not apply.

NON TITLE IV STUDENT

Non Title IV Student will follow the same Student Academic Progress policy. The same minimums are required to graduate from our program, they will also be verified at each period and receive institutional academic or attendance probation if necessary.
